

PRINCIPLES FOR A CHANGED LIFE

This study course is only an aid to get you started in your walk with the Lord. A solid foundation is essential to build upon and this course will help you to establish that foundation.

each morning simply read the Gospel of John in the New Testament, which is included in the packet, beginning at page one and continuing as long as you have time. Try to allow 15 to 30 minutes. Each evening answer a few questions in the Bible Study Lessons, beginning with Lesson #1, and continuing as long as you have time. Again, try to allow 15 to 30 minutes.

Write down any questions you may have on the back of the Study Guide and bring it with you to the church for one of the pastors to help you with the answers. If you finish the Gospel of John before completing the lessons, just start over at the beginning.

Other materials are included in the packet to help you to understand the principles in the Study Guides. Most important is the Bible, the very Word of God. Use it to look up the answers to the questions in the Bible Study Guides and do not hesitate to use the table of contents, nor to ask your Christian brothers and sisters for help.

Welcome to the family of God!
